Verifying Registration and Accreditation

It's vital to confirm that any nursing school you consider is registered with the South African Nursing Council (SANC). Here's how:

- Check the SANC Database: Visit the official SANC website and search their registered training

institutions list.

- Request Registration Certificates: Institutions should provide proof of registration.
- Assess Program Accreditation: Confirm that the specific program is accredited and recognized.

Why is this critical?

Unregistered or unaccredited institutions may lead to qualifications that are invalid or not recognized by employers or regulatory bodies.
